- OBJECTIVES -

STATINTL

This course is intended to familiarize the Records Officer appointee with his duties, as defined in [REDACTED]. It deals with his responsibilities in correcting, retiring, or disposing of records; his part in opening, closing, and amending files, or in desensitizing CS Records material; and his function as a guide for information on the proper handling of records. The effect of his work on operations is considered. Special attention is given to his relationship with the Records Integration Division, the CS Records Review Group, and the CS Records Committee.

He will also become familiar, through practice, with handling documents referred to him for action.
